Oak Street Manufacturing has manufactured and distributed restaurant and hospitality furnishings and fixtures since 1995. At Oak Street Manufacturing, you can always count on:

Top notch customer service. Customers can always speak directly to a member of the Oak Street Manufacturing sales staff instead of wading through a voice mail system.

Competitive freight rates. Oak Street has recently regionalized freight carriers resulting in substantial freight savings for customers.

Most importantly, customers can count on quality, competitively priced in stock products that ship within 24-48 hours of order placement. Oak Street also carries reasonable lead times on custom orders that will ship by stated lead times.

We look forward to the opportunity to work with you!
